## Integumentary System - Diagram - How It Works

[www.livescience.com/...human-body-systems-the-integumentary-system...](http://www.livescience.com/...human-body-systems-the-integumentary-system...)

The integumentary system, or skin, is the largest organ in the body. Besides the skin, it comprises the hair and nails as well, which are appendages of the skin.
